Issue	Outcome	Actions
A student attended what they thought was a review meeting but was asked to leave College and did not feel this was fair.	Upheld	Investigation revealed the student disciplinary policy had not been followed, to support the student's health issues. The student was confident they would be able to catch up on work and meet assessment deadlines. A decision was therefore made to allow the student back on the course with certain agreements. The student was asked to sign the student agreement and adhere to this, student was provided with a support assistant in the classroom until the end of term and weekly progress meetings to be held.
A student complained about the way they had been dealt with and that it was unclear there was a cost for paper cups in the coffee shop/refectory.	Upheld	Signs now displayed in the coffee shop and refectory advising the cost of paper cups.

Issue	Outcome	Actions
A student complained that there were not enough speakers available in the campus, as there was only one set per department.	Upheld	Additional speakers were ordered and fitted to all smart boards in the campus.
A student was unhappy that the internet connection in one of the buildings was weak, which was affecting the signal.	Upheld	An external engineer checked the coverage of the Wifi connection in the building and tests showed there was complete coverage. However, work was carried out by an external Wifi engineer to further improve the Wifi and three additional access points were installed in the building. The ICT team continue to monitor the Wifi connection and will make improvements where necessary.
A few students complained that there was a lack of opportunity to undertake a hospital placement as part of their course.	Upheld	The placements are dependant on availability of placements with the NHS. However, further discussions took place with the NHS and suitable placements secured to allow students to complete a hospital placement.
A number of students complained about a proposed relocation of a course to a different campus next session.	Upheld	Discussions took place with the students affected and due to number of factors the decision to move the course was reversed and the course remained at the current campus.

Issue	Outcome	Actions
A student tore their jacket on the edge of the smart board in a class room.	Upheld	The smart board was inspected and it was identified that a corner piece was missing leaving a sharp edge. The edge was repaired to prevent this happening again and the student was reimbursed for the cost of their jacket.
A student slipped and fell in the College toilets, pulling the muscles in their leg. They believed there was no wet floor signs and were unable to walk or move their leg. This has resulted in the student missing remediation of an assessment and they believe they will fail the unit of the course because of this.	Not Upheld	An agreement was made that the student could have another attempt at the assessment.
