

Privacy Notice – For the Student Enrolment and Experience Process

Ayrshire College (the College) is providing you with this information to comply with data protection law to ensure that you are fully informed and that we are transparent in how we collect and use your personal data.

Your privacy and trust are very important to us, and this Privacy Notice provides essential information about how the College handles your personal data (information) and the rights you have in relation to how we use your data. The College is committed to complying with all applicable Data Protection laws.

Who are we?

Ayrshire College is the 'Controller' and is responsible for looking after the personal data that you provide.

Registered office – Ayr Campus
Dam Park, Ayr
KA8 0EU

For any queries or concerns about how your personal data is being processed you can contact the Data Protection Officer (DPO) at dataprotection@ayrshire.ac.uk

This Privacy Notice relates to the following process: Student Enrolment and Experience

This is where you confirm your enrolment on the course with us. If your application is successful and you then accept an offer you enter into a contract with the College. You will be asked to provide additional enrolment data in addition to the data you provide as part of your application and the terms and conditions of enrolment at Ayrshire College. This is the contract with you, also known as The Student Agreement.

The enrolment process must be completed before, or at the start of, each course of study. This process applies to enrolments for all courses and include course bookings for part-time and evening courses.

What information do we collect about you?

Ayrshire College combines your application information, and the information collected during the enrolment process to create your student record. If you are offered a place on a course and accept the offer, the information you provide in your application form will be incorporated with the information obtained as part of the enrolment process into your student record.

Limited personal data may be shared with contracted third parties, where the provider is a Processor on behalf of the College, to enable provision of any services for the purposes listed above. Examples include teaching, learning and administrative support, provision of email and other ICT services, hosting communications services, ICT systems maintenance, safety and incident management systems, etc. This includes :

- Microsoft 365 software including email, Teams, and other Microsoft 365 systems
- Originality checking system/ plagiarism detection software (Turnitin)
- Virtual Learning Environment (Moodle)
- Library Management System (Heritage)
- Other systems suppliers who provide software services to and on behalf of the College (e.g., (ESS).

We will also disclose limited personal data where necessary for the following reasons:

Academic purposes:

- With a partner institution to deliver a programme collaboratively between the College and the partner institution
- With external examiners to check that our assessment of your work is fair
- For official independent assessment of our programmes

And to:

- Verify your attendance and qualifications, e.g., in a standard reference (the Learner Agreement) for a potential employer, placement provider or agency.
- Confirm your attendance, progress and assessment marks to your sponsor, or the institution through which you are studying (if this is not Ayrshire College).

Where you have been referred to the College via a school, Local Authority department or support service, we will share information with the relevant local authorities to confirm your attendance at college, progress, and achievement.

The above lists are not intended to be exhaustive. However, in all cases, data will only be shared with third parties where we:

- Have a lawful basis under data protection legislation; or
- Are required to do so under a statutory or regulatory obligation; or
- Have your consent.

Details of data transfers to any third countries or international organisations

We transfer data to Turnitin who process data both in Europe and in the United States. The data transferred comprises:

- Student assignment (your own work, as submitted in the course of study)
- Student name and ID (where you have provided this on your assignment)

This is a system data transfer from the Virtual Learning Environment (VLE) directly to the plagiarism software tool (Turnitin). This data is transferred for processing to ensure student work is original and to confirm that the College is making awards based on original student work.

The relevant protection in place for this international transfer:

To transfer personal data from the UK to the United States, Standard Contractual Clauses with additional safeguards will be used. These are standardised contracts to certify that any data that is transferred is adequately protected.

How do we look after your information and how long do we keep it for?

We will take all reasonable steps to prevent the loss, misuse, or alteration of information you give us. Your personal information will be stored securely and will only be accessed by authorised staff, agents, contractors, and other organisations who have a business need to know. They will only process your personal information on our instructions, and they are subject to a duty of confidentiality and must comply with data protection law.

We have put in place procedures to deal with any suspected data security breach and will notify you and any applicable regulator of a suspected breach where we are legally required to do so.

Your information will be kept in line with the College's data retention schedule and then will be destroyed confidentially or anonymised for the purpose of internal statistical analysis.

We keep information about you only for as long as needed to provide you with academic and support services and to meet our legal obligations.

- Your application and enrolment record will be retained for 6 (six) academic years unless you are a European Social Fund (ESF) student.
- All documentation relating to the European Social Fund, Developing Scotland's Workforce will be retained for European audit requirements. Applicants who have been awarded funds from the European Fund should note that their student funding information will be retained up to a maximum of 15 years or until the year 2032. Ayrshire College is required to retain the relevant documentation as prescribed in the National Rules for the ESF 2014-2020 programme (<http://www.sfc.ac.uk/publications-statistics/guidance/guidance-2018/SFCGD192018.aspx>)
- All documentation relating to the Student PVG process is deleted once the PVG process has been completed and we are in receipt of your PVG Certificate. The PVG Certificate is securely deleted once you are no longer a student at the College.
