

11. Student Funding

Student eligible to apply for the Care Experienced Bursary

SCQF Levels 1–6 (some FE courses may be Level 7)

The terms Care Experienced, Care Leaver and Looked After refer to people who have experience of being in care at any time of their lives (*regardless of current age*) or who are currently looked after. It includes any student who is under the care of the Local Authority, including (but not limited to) where the care is being provided in the student's own home, in their parent(s) home, in the home of relatives, in a foster home, a care home or a residential unit.

Students who fall into one of the following categories should disclose this within their online funding application as soon as they apply for funding.

In Foster Care, Kinship Care (as a result of a compulsory supervision order), Residential Care, Compulsory

Supervision Order with no condition of residence (Looked after at home) , Compulsory Supervision Order with a condition of residence (Looked after away from home)

The Care Experienced Bursary is a non-means tested award. It is however important that any student in receipt of government benefit explores the potential impact that the Care Experienced award may have on any existing entitlement. We will always aim to provide the most beneficial outcome.

Students must be beyond their statutory school leaving date and meet residency requirements to be considered for Bursary support.

Note: Students in informal - non-compulsory care arrangements who are not looked after under the meaning of the relevant legislation, will now be considered for funding as Care Experienced where social work services have been involved.

Student eligible to apply for the Care Experienced Bursary
