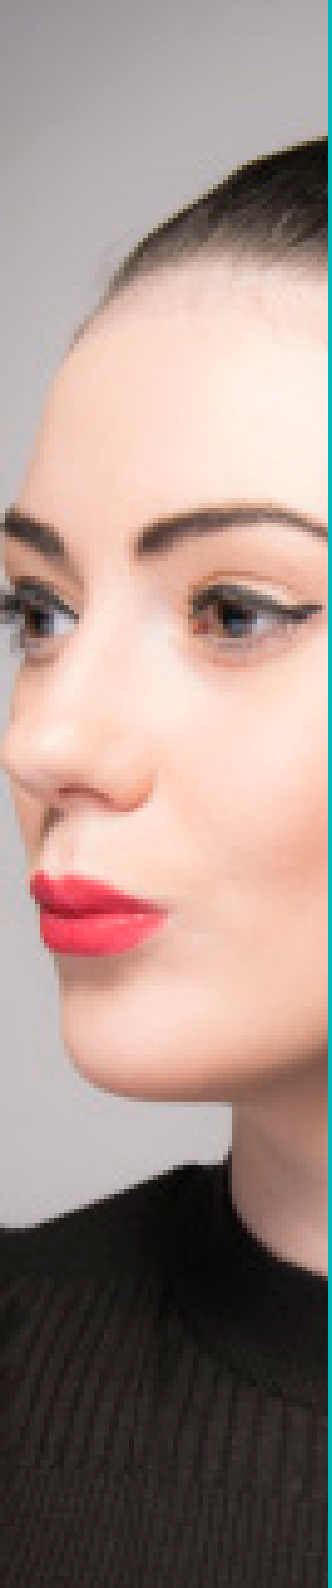
Ayrshire College



The Salons @ Ayrshire College

The College has a range of salons across its campuses which are open to the general public, students and staff during term time. Clients can choose from a wide range of beauty, make-up, nail and hair treatments, as well as holistic therapies.

Our salons use industry standard equipment and technology. Students range in level of skill and are supervised by fully qualified lecturers to ensure that they provide a high quality service.

Our treatments are offered at considerably reduced rates and we use professional brands within all our salons. Students provide a relaxed, friendly and professional atmosphere and are always happy to welcome new clients.

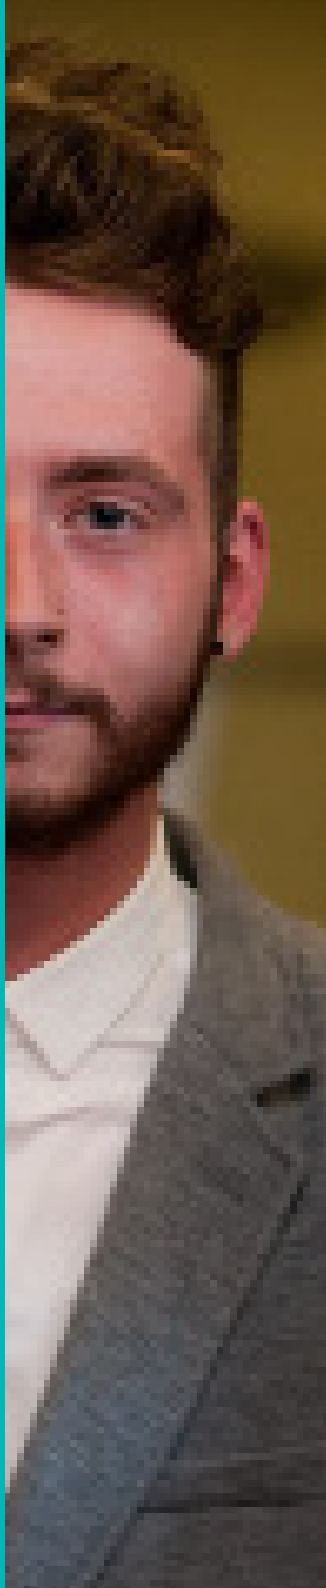
To keep up-to-date with our latest treatments and special offers check out our Facebook page www.facebook.com/ayrshirecollege

Loyalty Scheme

We endeavour to make your visit a positive experience from the moment you are greeted at reception until your service is complete. We respectfully remind you that this is a learning environment; if for any reason you are not satisfied with the service you receive we will be happy to listen to your feedback.

Students receive 20% off all treatments (production of Matriculation Card required). Promotion excludes special offers and packages that are available throughout the year.

The salons offer a reward scheme across each of our campuses. If you pay for five treatments you will receive 25% off your next treatment. Please pick up a loyalty card at the end of your first treatment.



Additional Client Information

As a learning and teaching environment please note all services and treatments are not available throughout the whole academic year and appointments may be subject to limited days and times. Regular appointments cannot be guaranteed as class timetables and requirements are subject to alterations.

All appointments require a thorough consultation, this will ensure that the treatments are suitable to your requirements and are tailored to your needs.

Appointments can vary in length depending on the service and we ask that you make yourself available for the entirety of the treatment. Hair appointments can last up to 4 hours.

Salon Assistants will ask for a variety of details when arranging your appointment, we would appreciate your co-operation with this to ensure you are contactable if required. This is to prevent any inconvenience if we do not have a contact telephone number or email address. We ask that you give at least 24 hours notice of a cancellation where possible.

As we are a training environment, students have limited experience and are here to be mentored and gain experience in their chosen field. It is therefore important that as a client you adopt a supportive attitude towards our students. Lecturers do not provide treatments, they are in class to assist, support and supervise the training of students.

Tanning

Clients should wear loose dark clothing, open toed footwear and all jewellery should be removed until the product has developed to ensure even application.

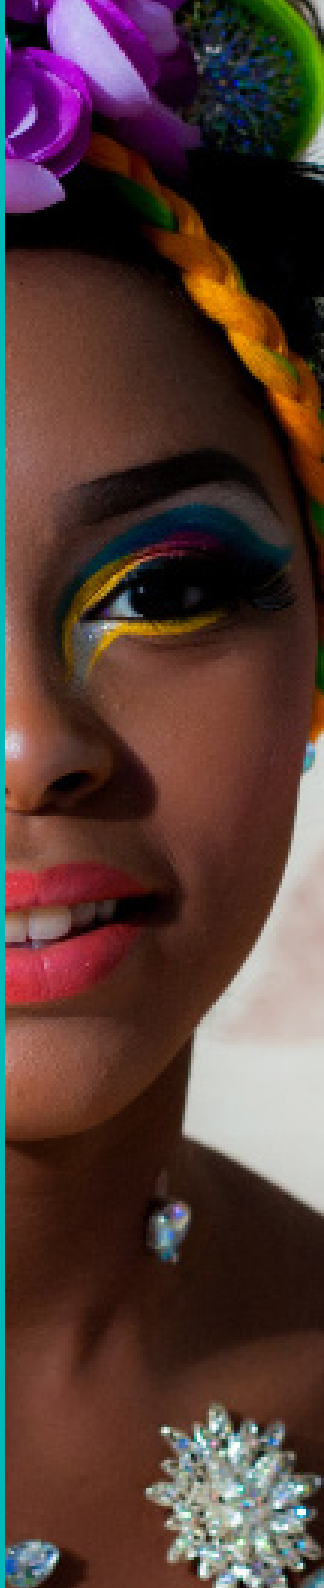
Pedicure

Clients should wear open toed footwear.

Colouring/Tinting and Perming

A skin patch test will be required before colouring, tinting and perming treatments. This must be carried out 48 hours prior to treatment.

Unfortunately we cannot provide any treatment services to anyone under the age of 16.



Training Salon

Appointments available within our training salons are subject to class timetables and therefore limited to specific days and times.

	Ayr	Kilwinning	Kilmarnock
Monday	9am-6pm	9.30am-5pm	9am-4pm
